Harbour House Aruba is a state-of-the-art residential and commercial development that balances island relaxation with the exhilaration of urban-living, developed by Pering Group. The homes for sale in Aruba have an open-floor concept so you can enjoy the most out of the Caribbean's breathtaking views. The condos will feature top-of-the line finishes carefully chosen to accommodate your desire for luxury, comfort and durability. Our residents will enjoy a stunning infinity pool overlooking the Oranjestad Marina, a fully-equipped fitness center on the top floor with a hot-tub and sun deck, 360-degree-views over the ocean-front surroundings, ground-floor restaurants, and five-star service all around. Harbour House Aruba combines the luxury of Caribbean living with the innovative design of the building. The project is integrated into Aruba's Linear Park by its oceanfront walkway, which goes through the front of the project. In Harbour House Aruba you will enjoy the best of Aruba's lifestyle, our treasure of the Caribbean. You will be in full contact with its hospitable people, perfect weather and its One Happy Island state of mind. Harbour House Aruba has everything
