This villa is immaculate, wonderfully tranquil, light and spacious and ultra-modern. It has 4 bedrooms and 2.5 bathrooms and its own pool, set in fully enclosed, secluded, tropical area. The setup of this villa gives a light and airy feeling, with gentle trade winds, helping to keep the villa cool. The villa offers a pleasing inside and outside living experience with plentiful relaxed seating, as well as ambient outdoor kitchen with BBQ and dining area. Ideally located for the discerning buyer of this 'platinum' inland located property, near National Park Arikok, situated in an established, safe and very peaceful up scaled neighborhood, known as Residence San Fuego. This property will give you a 360 degree view of nature, but also sea views from the east side of Aruba. Breathtaking! The open plan layout of this double story property is ideal. Floorplan: Ground floor: * Living area * Kitchen * Sauna * Master bedroom * Powder room The large open and cozy set-up of the living area is unique. It gives a full open view of the "wild" kunuku life of Aruba. 3 large sliding doors open up to the pool area and lounge area. On the other side is an equipped open kitchen with a
