**Location:** Noord

We are pleased to offer a commercial rental property in a highly sought-after location, strategically situated near the hospital. This prime location is ideal for businesses in the healthcare sector looking to establish or expand their presence in a central, convenient area. The building features 32 well-appointed rooms, providing ample space for offices, treatment rooms, or consultation areas. Additionally, it includes five bathrooms and a spacious common area, perfectly suited for welcoming clients, patients, or visitors in a professional and comfortable setting. Given its proximity to the hospital, this property is exceptionally suited for healthcare-related businesses, such as clinics, medical offices, rehabilitation centers, or wellness facilities. The location not only offers convenience for patients and staff but also enhances the visibility and accessibility of your business. This is a rare opportunity to secure a commercial space in one of the most desirable areas for healthcare companies.
