CASA Petite Cosy

Price: USD 492 (AWG 876)

Location: Paradera

Bathrooms: 1

Bedrooms: 1

This one bedroom apartment is centrally located in a quiet part of Paradera, close to the famous Casibari Rock Formations and with a beautiful 'Hooiberg'-view. Other nearby neighborhoods are Tanki Leendert and Piedra Plat. Our capital Oranjestad is only 10 car minutes away. The apartment has easy access to the main road, with supermarkets, shops, restaurants, schools, a gas station and church. CASA Petite Cosy has a private entrance via a gate. Through this gate you enter a covered patio. Here you can sit after work, feeling a nice breeze while enjoying a relaxed evening. On the side of the apartment there is a clothesline for laundry. A fence separates the apartment from the main house. While entering the apartment you step into a combined living room/kitchen. The kitchen has a cooker on gas and also a fridge. A table with two stools divides the kitchen from the living room. Next to the kitchen is the bathroom with a large shower and one (1) bedroom with AC. Bonus is a convenient little storage attic, that is accessible via a hatch above the bathroom door. CASA Petite Cosy is perfect for one person or for a couple. The apartment is semi-furnished
