Spacious house centrally located in San Barbola Residence This stunner is approached through a tiled path surrounded by a beautiful, tropical garden. It has an entertaining outside area which serves as a relaxing oasis, a social hub, a prime way to exercise and is ideal to host intimate gatherings. The living entrance hall has a considerable impact with its high ceiling, spacious living room, its kitchen and open dining room, which makes a great place for family gatherings and cozy dinners. The kitchen is equipped with a full sized fridge, gas stove/ oven and and has a double sink. The living room directly overlooks the spacious garden, which is accessible through glass doors which open up to a beautiful and serene garden. The living area is surrounded by windows, making this a very breezy, bright and sunny home. Curtains have been placed to keep the house cool. From the dining area/ kitchen, there is a door connected to a freshly shaded lounge area/ terrace. The main house has three bedrooms and two bathrooms. Each room has inverter air-conditioning units and are also equipped with ceiling fans. Two cars can be parked safely under the
