CASA To The Moon & Back is the perfect investment as it offers private living but also rental accommodations and already has an impressive rental history. The property is divided in 2 parts. The first part is where the main villa is located. Three bedrooms and two bathrooms make up the floorplan, which also consists of the open concept kitchen to the spacious living room. Through the French doors in the living room you will enjoy the view of the back patio and pool area, bringing a whole new level to 'Al fresco Dining' There is also a garage / storage and great parking on and off property. On the second half of the property are 3 apartments. All designed for vacation rental purposes! There are 2 1-bedroom apartments and 1 studio apartment. All apartments have kitchens and seating/ dining areas and a lovely outdoor patio. This side of the property has it's own pool and last but certainly not least; there is a real tiki bar! How's that for entertainment! Parking on this side of the property is also very easy on and off site. This is a great investment as CASA To The Moon & Back already has an awesome rental history. It is very Business Move-In ready! Don't
